

PARTICIPATION ENROLLMENT AGREEMENT

Success in our program requires full commitment by all participants. By enrolling in this course, participants agree to being fully present during all sessions and participate to the best of their ability. This includes arriving on time, abiding by the code of conduct, and engaging in course activities.

Attendance

In order to provide each participant with the ICF required minimum hours of training that leads to ICF certification, attendance at course sessions is required. If a participant has an emergency, becomes ill, or is not able to attend a class session, they must contact the instructor of the session and CAST Administration Lyndaotte.cast@gmail.com. Absent participants are expected to complete the missed course session by listening to the session recording, and submitting a one-page reflection on their learnings to the Director of Education, Shannon Weston, shannon@coachapproachskilltraining.com. If a participant misses more than 6 hours of the entire 60 hour course, and wishes to receive a certificate of completion, that participant may have the option to work with the instructor to cover the missed material at an additional cost or to register for a later course. Participants who miss any of the 10 hours of mentor coaching will need to pay for additional group or individual coaching sessions in order to complete the ICF required minimum of 10 hours of mentor coaching.

Petitions to this policy are considered on a case-by-case basis and must be submitted in writing to the instructor and CAST Director of Education, Shannon Weston, shannon@coachapproachskilltraining.com.

Course Engagement

CAST courses are built around a high level of participant engaging and interaction. In the event that a participant is unable to fully participate in an activity, inform that session's instructor as soon as possible. Please refer to the code of conduct for additional details.
